Irish Setters

Puppy (no entries)

Junior (4, 1 abs)

1 Martin's Glennara Moonlight Shadow at Silvagem. Racy and elegant with pretty feminine head, good stop and finish to muzzle. Lovely straight front, good bone and feet. Flows from neck into shoulders. Topline, spring of rib, width of hindquarters and tail set all pleasing. Bend of stifle correct enabling her to drive well on the move. Lovely coat of good colour with thick furnishings starting to show. Her owner must surely be going to have a lot of fun with this lovely young bitch.

2 Tovey's Siorrudh's Bon Viveur

3 McConnel's Cordarragh Dark Secret

Special Yearling (4, 1)

1 Richardson's Kirkavagh Fidalgo. BOB Masculine, strong dog without any trace of coarseness and impressive without exaggerations. Gorgeous head with plenty of work, dark eyes and low ear set all contributing to a lovely soft expression. Excellent straight front, deep chest, shoulders, topline and tail set. His correct hind angulation and short hocks enable him to drive forward and his movement was sound, active and effortless. Coat and feathering are a rich colour, thick and shiny. I appreciated the opportunity to go over him. Top honours cannot be far away for this super youngster.

2 Clark's Cordarragh Cajan Moon

3 Schieder's Emberiki Amazing Grace

Graduate (1, 1)

Open (4, 2)

1 Richardson's Shandwick Arathorn

Nice outline to this eight year old profusely coated dog. Deep chest, straight front and well angulated all through. Appealing head with lovely eye shape but lacking the darker pigment of his kennelmate. Tail correctly set, carried and used well on the move. Sound and happy mover. A few grey hairs on his face showed that he was slightly older than the rest of the entry but he was still a youngster at heart.

2 Clark's Cordarragh Bonus Issue
