Irish Setters

(G) 6 (1 abs)

1 McAvoy's Cymbeline Fiseal Handsome balanced head with good stop, eye shape, eat set and finish to muzzle. Arched neck, straight front, strong bone, tight feet and gently sloping topline leading to good tail set. Nicely angulated stifles and good width to thigh. Well muscled. Lovely dark coat with enough feathering for age. Covered the ground well on the move despite the small ring.

2 Swainston's Glenvarna Tiberius

3 Dodds Scarlett Rhett Butler

(O) 5 (1 abs)

1 BOB Swainston's Twoacres Kittiwake at Glenvarna Eyecatching bitch with lovely outline and pretty balanced head, beautifully arched neck flowing into correct topline and continues over a well shaped croup with nice tail set. Nicely angulated throughout, good bone and feet. Everything in proportion, enough coat in lovely condition and carrying the correct weight. Her movement was very sound and she made a lovely shape despite the small ring. Later in a large outside ring she moved with purpose looking a picture of elegance with her head held high and tail wagging to win the group.

2 McAvoy's Cymbelinie Aoife

3 Glasper's Penwyn Indiana at Denetop
